

Request for leave of absence / Postponed start of studies

Application deadline: 1st of September / 1st of February

It may be exempted from the application deadline if the need for leave of absence occurs after the expiry of the deadline, or if there are other special reasons for deviating from it.

The application is filled out electronically and sent with necessary attachments via Digipost to MF University College. If you cannot send the application via Digipost, the application and relevant documentation must be sent by letter or delivered to the Studentreception during opening hours. Please do not email sensitive personal information.
